Dear Sir or Madam,

Thank you for choosing our firm to prepare your income tax returns for tax year 2016. This letter confirms the services we will provide.

We will prepare your federal and state returns for tax year 2016 based on information you provide. Although our work will not include procedures to discover irregularities or inaccuracies in the tax data you provide, we may ask for clarification of certain information, or additional information, so that we can prepare accurate and complete returns for you.

It is your responsibility to provide all necessary information related to income and deductions for tax year 2016, and to respond to our inquiries in a timely manner so that we are able to accurately complete your returns by the appropriate due dates.

You are responsible for maintaining appropriate records, such as official tax documents you receive, receipts and substantiation for your deductions, and purchase and sales information for assets.

It is your responsibility to review your returns before they are filed to determine that all income has been correctly reported and that you have substantiation for your deductions. Filing your returns by the due dates is your responsibility.

If your returns are later selected for review or audit by taxing authorities, we will be glad to assist or represent you if you desire. Our fees for preparing your returns do not include time that might be necessary to assist you during a taxing authority review.

We provided up-front pricing for the preparations of your return. Once we have all or most of the information needed to prepare your return we will send you an invoice. We require a 50% deposit before we begin any work and the balance to be paid when the draft is provided and before e-filing your returns. If after sending the invoice additional documentation and information is received from you that we were not aware of we will determine if additional time and therefore additional fees are required. If so we will stop all work and notify you. A few late official tax documents rarely impact the fee but large statements with significant activity can.

If this letter accurately summarizes your understanding of our agreement relating to the preparation of your tax returns, please sign the enclosed copy in the space indicated and return it to us.

Thank you again for choosing our firm to prepare your 2016 tax return. We appreciate your business.

Sincerely,

THERESA TURNER, TAX HAPPENS
